Diary

Scriptorium: The Oxford Scriptorium is a study group for students which runs throughout term from **Tuesday to Friday, 9:15am to 5:15pm**. Each day is structured around periods of work, breaks, and prayer, with an opportunity to set goals and share progress and struggles. Please contact pusey.office@stx.ox.ac.uk for further details.

Common Good: Part of being faithful to our roots in the Oxford Movement involves being faithful to our roots in the Oxford Movement involves being faithful to the basic Christian mandate for kindness to those in need - as an integral part of our worship and discipleship. As the restrictions and alterations of the past year resolve into a new landscape for such work in Oxford, we are looking for **volunteers** to join various projects **working with those who are disadvantaged or displaced**. If you would like to be involved to any degree or in any capacity, please email the Chaplain at: pusey.chaplain@stx.ox.ac.uk

Living in Love and Faith Discussion Series: As a cautious first step in engaging with the Church of England's controversial Living in Love and faith document, we are beginning a series of talks presented from different starting points in pursuit of a fuller understanding of sexuality in the Body of Christ. It is our hope that these presentations, and others that follow later in the year, will enable all those who want to participate, to develop what the LLF aims to cultivate, namely, a 'constructive mode of conversation, not only involving "respect" for those with different views but also the search for perhaps unsuspected affinities and convergences', and will help us together to continue to 'grow up into Christ in all things to the increase of the body unto the edifying of itself in love'. More information will be available on our website.

Pusey House offers a full round of daily worship, opportunities for engaging with the intellectual life of the University, and a hospitable and growing body of students and friends actively nurturing vocations and lives of Christian discipleship.

During the nineteenth century, Oxford was the centre of a revival of Church life which affected the whole of the Church of England, and had its influence far beyond. Dr E. B. Pusey, who for more than fifty years was Regius Professor of Hebrew and a Canon of Christ Church, was at the very heart of the Catholic Revival that became known as the Oxford Movement. In 1884 Pusey House was founded as a centre of prayer, theological study, and pastoral care.

The House has always been known for its lively presentation of the Catholic Faith as received by the Church of England. Drawing on this tradition, we seek to build a community where thoughtful and robust faith is nourished by rich worship, so that those who find a home at Pusey House are formed in Christ for service in the Church and in the world.

THE FRIENDS OF PUSEY HOUSE provides important additional support for the House's work, as well as regular news and updates from the House. If you are interested in becoming a Friend, see our website (puseyhouse.org.uk/friends-of-pusey), or contact the Secretary to the Friends, Mr Ian Palmer (pusey.society@stx.ox.ac.uk).

THE LIBRARY is open to all, Monday-Friday from 9:30am-5:25pm, as a study space, and for referencing open-shelf books. Contact the librarian (pusey.librarian@stx.ox.ac.uk) to access archive or closed-stack materials. Dr Pusey's own books, purchased after his death, form the heart of the collection, which is a leading Anglo-Catholic library and archive in the UK.

CONFESSION AND SPIRITUAL DIRECTION is a regular and important part of the ministry of the house. You are welcome to discuss this with the Principal or the Chaplain. They are available to hear confessions by appointment or in the Chapel on Mondays from 8:30 to 9:00am and Fridays from 5:00 to 5:20pm.
