Pusey House offers a full round of daily worship, opportunities for engaging with the intellectual life of the University, and a hospitable and growing body of students and friends actively nurturing vocations and lives of Christian discipleship.

During the nineteenth century, Oxford was the centre of a revival of Church life which affected the whole of the Church of England, and had its influence far beyond. Dr E. B. Pusey, who for more than fifty years was Regius Professor of Hebrew and a Canon of Christ Church, was at the very heart of the catholic revival that became known as the Oxford Movement. In 1884 Pusey House was founded as a centre of prayer, theological study, and pastoral care.

The House has always been known for its lively presentation of the catholic faith as received by the Church of England. Drawing on this tradition, we seek to build a community where thoughtful and robust faith is nourished by rich worship, so that those who find a home at Pusey House are formed in Christ for service in the Church and in the world.

THE FRIENDS OF PUSEY HOUSE provides important additional support for the House's work, as well as regular news and updates from the House. If you are interested in becoming a Friend, see our website (puseyhouse.org.uk/friends-of-pusey), or contact the Secretary to the Friends, Mr Ian Palmer (pusey.society@stx.ox.ac.uk).

THE LIBRARY is open to all, Monday-Friday from 9:30am-5:25pm, as a study space, and for referencing open-shelf books. Contact the librarian (pusey.librarian@stx.ox.ac.uk) to access archive or closed-stack materials. Dr Pusey's own books, purchased after his death, form the heart of the collection, which is a leading Anglo-Catholic library and archive in the UK.

CONFESSION AND SPIRITUAL DIRECTION is a regular and important part of the ministry of the House. You are welcome to discuss this with the Principal or the Chaplain. They are available to hear confessions by appointment or in the Chapel on Tuesdays from 12:00 to 12:30pm and Fridays from 5:00 to 5:20pm.
