

During the 19th century Oxford was the centre of a revival of Church life which affected the whole of the Church of England, and had its influence far beyond. Dr E. B. Pusey, who for more than fifty years was Regius Professor of Hebrew and a Canon of Christ Church, was at the very heart of this Catholic Revival which became known as the Oxford Movement. In 1884 Pusey House was founded in memory of him as a centre of prayer, theological study and pastoral care.

Pusey House offers a full round of daily worship, opportunities for engaging with the intellectual life of the University, and a hospitable and growing body of students and others actively nurturing vocations and lives of Christian discipleship.

The House has always been known for its lively presentation of the Catholic Faith as received by the Church of England. Drawing on this tradition, we seek to build a community where thoughtful and robust faith is nourished by rich worship so that those who find a home at Pusey House are formed in Christ for service in the Church and in the world.

THE FRIENDS OF PUSEY HOUSE provide important additional support for its work. If you are interested in becoming a Friend, please see our website www.puseyhouse.org.uk/friends-of-pusey or contact the steward(pusey.steward@stx.ox.ac.uk).

THE LIBRARY is open to all Monday-Friday 9.30-5.25 for study space and open shelf books. Please contact pusey.librarian@stx.ox.ac.uk to access archives and closed stack materials. Dr Pusey's own books, purchased after his death, form the heart of the collection, which is the leading Anglo-Catholic library and archive in the UK.

CONFESSION AND SPIRITUAL DIRECTION is a regular and important part of the ministry of the house, and if you are thinking about either, please have a word with one of the Clergy. The Chapter are available to hear confessions by appointment. If you would like to ask about Baptism, Confirmation, Weddings, Funerals or Requiems, the Chaplain would be very pleased to hear from you.
